GOLF

We take pride in our three Gary Player designed championship golf courses. Montagu and Outeniqua courses rate amongst the best courses in the world and are renowned for their year round condition. The two world class parkland courses capture the natural beauty in the Garden Route and meet the exacting expectations of champions as well as the needs of the improving golfer.
Sculpted into what Gary Player has described as his greatest feat as a course designer, The Links is the golfing hallmark of the Fancourt estate. Featuring an undulating, windswept terrain and dune-style landscape, the course is the collaborative handiwork of golfing icon, Gary Player, course designer, Phil Jacobs and Fancourt’s owner, Dr Hasso Plattner. The Links is currently voted number one in the country by Golf Digest South Africa.
At Fancourt the appreciation of good food and wine is regarded almost as highly as the game of golf. As such, the estate’s four restaurants each caters to a different occasion, from relaxed family suppers to more bespoke experiences with fine wines to match.
